

Why Choose the O'Brien Law Firm for Your Asbestos Case?

20
years

Experience.

We've represented union tradesmen for nearly 20 years.

Knowledge.

We're on the ground in Missouri and Illinois. We know the job sites and we know the products.

Hard Work.

We pursue all avenues of compensation.

Dedication.

We fight for your rights when you are sick from asbestos.

Resources.

The process is easier—we have a library of documents and have captured many depositions regarding the job sites where you worked, which helps us determine all appropriate asbestos defendants to pursue in your case.

Expertise.

All we do is represent the victims of asbestos disease.

Union Support.

We support union causes. We've donated to \$5 for the Fight, AFL-CIO's campaign against RTW, and other causes.

If you have been diagnosed with mesothelioma or another asbestos disease, we will provide a full case evaluation at no cost or obligation to you.
